Music used: Park Ranger - Deadbeat Freemuse - Lost in Music Finds and Kills - Epidemic This video explains what is Impostor Syndrome and how it affects us. It also talks about how we can overcome Imposter Syndrome and how we can use our imposter syndrome as a positive trait. Music used: Park Ranger - Deadbeat Freemuse - Lost in Music Finds and Kills - Epidemic Using Storytelling in the Classroom In this TED talk we will learn how to use storytelling in the classroom to engage students in the arts, help students discover their interests and show school, college and university staff exactly what they need to know. What is Imposter Syndrome? An impostor feeling is when you have feelings of inadequacy. It is an extremely common phenomenon in people, and as a result they lower their expectations really low when they are planning on accomplishing something. If this feeling is never addressed effectively, it can cause stress and anxiety. "
